

Dear loyal customers, friends, family and all who love Old Doc's Soda Shop, the original DBW Museum, and the W.P. Kloster Annex Museum. I want to thank you with all my heart for your support and tell you we are tremendously saddened that the tourism side of our business will remain closed for the foreseeable future. The Dublin Bottling Works wholesale and Dublin Bottling Works Sales Center (retail store) will continue to be open Monday-Friday from 9am-4pm. This will be our 130<sup>th</sup> year of continued business in the same location with the same great pure cane sugar craft sodas. Circa 1891

**Effective Tuesday June 8, 2021**

I truly believed Old Doc's Soda Shop could withstand the storm and the uncertainty of COVID-19. DBW went all in during 2020 and did not close Old Doc's Soda Shop or either museum. I understand some businesses were considered essential and retained their market share while increasing their foot-print in the soft drink market category. Old Doc's Soda Shop and the tourism part of our business can only function with high traffic volume in and out of our brick-and-mortar retail store. I have had numerous conversations with consultants and Dublin Bottling Works Inc. must permanently close the tourism side of our business. Since January 2012, our tourism numbers have decreased from over 100,000 visitors to less than a few thousand per year. To all who loved Mr. Billie Kloster's story and, the amazing Old Doc's pure cane sugar products - Thank you for your continued support of all our brands and flavors! I cannot say - THANK YOU enough!!!!!!
